**Van Zant K:** See Brodkey AC

**Venegas-Samuels K:** See Garza-Trevino ES

## W

**Warner B:** See Bienenfeld D

**Waterman MA:** See Glick TH

**Weerasekera P:** Postgraduate psychotherapy training: incorporating findings from the empirical literature into curriculum development. Fall 122-132

**Werner A, Werner EA, Mullan PB:** Teaching students to identify psychosocial

cues in problem-based learning cases. Summer 86-90

**EA Werner:** See Werner A

**Winer JA, Klamen DL:** Psychotherapy supervision: a current method. Fall 141-147

## Y

**Yager J, Zarin DA, Pincus HA, McIntyre JS:** Practice guidelines and psychiatric education: potential implications (commentary). Winter 226-233

## Z

**Zarin DA:** See Yager J

# Subject Index

## A

### Academic Psychiatry

**Pinta ER:** Sesquicentennial anniversary of academic psychiatry (letter). Spring 48

### Anniversary

**Pinta ER:** Sesquicentennial anniversary of academic psychiatry (letter). Spring 48

## B

### Books Reviewed

*Group Psychotherapy for People With Chronic Mental Illness*, by Stone WN. Spring 54-56

*Textbook of Psychoanalysis*, edited by Nersesian E, Kopff RG Jr. Spring 52-54

### Boundary Maintenance

Residency education: teaching about maintenance and violation of boundaries (letter). Steury S. (Reply by Gorton GE, Samuel SE.) Fall 166-168

## C

### Clerkship

Educational objectives for a junior psychiatry clerkship: development and rationale. Brodkey AC, Van Zant K, Sierles F. Winter 179-204

### Collaboration

Collaboration with the nonphysician therapist: a seminar for postgraduate third-year psychiatry residents. Tekell JL, Erickson SS, Matthews KL. Fall 155-164

### Commentaries

An integrated preclerkship curriculum in neuroscience, psychiatry, and neurology. Michels R. Winter 234-235

Practice guidelines and psychiatric education: potential implications. Yager J, Zarin DA, Pincus HA, McIntyre JS. Winter 226-233

### Community Mental Health Centers

Student ratings of outpatient learning favor rural community mental health centers. Rodenhauser P. Winter 205-211

# Community Service

Introducing community service into psychiatry residency education (letter).

Christensen RL. Summer 117-118

# Competence

Using narratives to evaluate psychiatry residents' competence (new idea). Shanfield SB, Terrell CD, Littlefield JH. Summer 98-107

**Correction:** Byline error. Fall iv

# Curriculum Content

A psychiatric curriculum directed to the care of the Hispanic patient. Garza-Trevino ES, Ruiz P, Venegas-Samuels K. Spring 1-10

# E

## Educational Computing Column

The World Wide Web: new horizons. Kramer T, Kennedy RS. Spring 57-59

American Psychiatric Press's "American Psychiatric Electronic Library" and Gold Standard Multimedia's "Clinical Pharmacology" (software reviews). Kramer TAM, Kennedy RS. Fall 172-175

## Educational Literature, Abstracted

Anderson JR, Reder LM, Simon HA: Situated learning and education. Spring 50-51

Bergen MR, Guarino CM, Jacobs CD: A climate survey for medical students: a means to assess change. Spring 49-50

Cuban L: Change without reform: the case of Stanford University School of Medicine 1908-1990. Fall 169

Dunkin MJ: Types of errors in synthesizing research in education. Fall 170

Gage NL: Confronting counsels of despair for the behavioral sciences. Fall 170-171

Hekelman FP, Blase JB, Bedinghaus J: Discourse analysis for peer coaching in medical education: a case study. Spring 51

Lincoln YS: Emerging criteria for quality in qualitative and interpretive research. Fall 169-170

Regehr G, Norman GR: Issues in cognitive psychology: implications for professional education. Spring 50

# Ethics

Residency education on the prevention of physician-patient sexual misconduct. Roman B, Kay J. Spring 26-34

# Evaluation

Using narratives to evaluate psychiatry residents' competence (new idea). Shanfield SB, Terrell CD, Littlefield JH. Summer 98-107

# F

## Faculty

The evolution of a faculty development program in an academic psychiatry department (new idea). Gruber NP, Cherry LM. Summer 107-115

## Family Therapy

Redefining the role of family therapy in psychiatric residency education. Slovik LS, Griffith JL, Forsythe L, Polles A. Spring 35-41

# G

## Geriatric Psychiatry

Interviewing the black elderly at home (letter). Baker FM. Fall 165-166

# H

## Health Care Reform

Managed care, health care reform, and academic psychiatry. Jacobs SC, Hoge MA, Sledge WH, Bunney BS. Summer 72-85

## Hispanics

A psychiatric curriculum directed to the care of the Hispanic patient. Garza-Trevino ES, Ruiz P, Venegas-Samuels K. Spring 1-10

# I

## Incentives

Incentives for teaching psychiatry. Bienenfeld D, Markert R, Rudisill J, Gillig P, Bourgeois JA, Klyklyo W, Roman B, Warner B, Kay J. Summer 91-97

**Internet**

The World Wide Web: new horizons (educational computing column). Kramer T, Kennedy RS. Spring 57-59

**Interviewing**

Interviewing the black elderly at home (letter). Baker FM. Fall 165-166

**L****Legal Issues**

Liability and accountability in psychotherapy supervision: a review, survey, and proposal. Schulte HM, Hall MJ, Bienenfeld D. Fall 133-140

Malpractice and the psychiatrist: a primer for residents. Mossman D, Kapp MB. Spring 11-25

**Letters**

Interviewing the black elderly at home. Baker FM. Fall 165-166

Introducing community service into psychiatry residency education. Christensen RL. Summer 117-118

Recruitment into psychiatry. Stoudemire A. Summer 116-117

Residency education: teaching about maintenance and violation of boundaries. (Reply by Gorton GE, Samuel SE.) Fall 166-168

Sesquicentennial anniversary of academic psychiatry. Pinta ER. Spring 48

**M****Malpractice**

Malpractice and the psychiatrist: a primer for residents. Mossman D, Kapp MB. Spring 11-25

**Managed Care**

Managed care, health care reform, and academic psychiatry. Jacobs SC, Hoge MA, Sledge WH, Bunney BS. Summer 72-85

**Mentoring**

The art and angst of the mentoring relationship. Davis LL, Little MS, Thornton WL. Summer 61-71; See Correction Fall iv

**Misconduct**

Residency education on the prevention of physician-patient sexual misconduct. Roman B, Kay J. Spring 26-34

**N****New Ideas**

Evaluating psychiatric clinical clerks with a mini-objective structured clinical examination. Hodges B, Lofchy J. Winter 219-225

The evolution of a faculty development program in an academic psychiatry department. Gruber NP, Cherry LM. Summer 107-115

The stress management workshop for medical students: realizing psychiatry's potential. Klamen D. Spring 42-47

An integrated preclerkship curriculum in neuroscience, psychiatry, and neurology. Glick TH, Armstrong EG, Waterman MA, Hundert EM, Hyman SE. Winter 212-218

Using narratives to evaluate psychiatry residents' competence. Shanfield SB, Terrell CD, Littlefield JH. Summer 98-107

**O****Objective Structured Clinical Examination (OSCE)**

Evaluating psychiatric clinical clerks with a mini-objective structured clinical examination (new idea). Hodges B, Lofchy J. Winter 219-225

**P****Postgraduate Training**

Postgraduate psychotherapy training: incorporating findings from the empirical literature into curriculum development. Weerasekera P. Fall 122-132

**Practice Guidelines**

Practice guidelines and psychiatric education: potential implications (commentary). Yager J, Zarin DA, Pincus HA, McIntyre JS. Winter 226-233

**Preclerkships**

An integrated preclerkship curriculum in neuroscience, psychiatry, and neurology (new idea). Glick TH, Armstrong EG, Watterman MA, Hundert EM, Hyman SE. Winter 212-218

An integrated preclerkship curriculum in neuroscience, psychiatry, and neurology (commentary). Michels R. Winter 234-235

**Problem-Based Learning**

Teaching students to identify psychosocial cues in problem-based learning cases. Werner A, Werner EA, Mullan PB. Summer 86-90

**Psychoanalysis**

*Textbook of Psychoanalysis*, edited by Nersesian E, Kopff RG Jr (book review). Spring 52-54

**Psychodynamic Technique**

Teaching psychodynamic technique during an observed analytic psychotherapy interview. Blackman JS. Fall 148-154

**Psychosocial Cues**

Teaching students to identify psychosocial cues in problem-based learning cases. Werner A, Werner EA, Mullan PB. Summer 86-90

**Psychotherapy**

Collaboration with the nonphysician therapist: a seminar for postgraduate third-year psychiatry residents. Tekell JL, Erickson SS, Matthews KL. Fall 155-164

*Group Psychotherapy for People With Chronic Mental Illness*, by Stone WN (book review). Spring 54-56

Liability and accountability in psychotherapy supervision: a review, survey, and proposal. Schulte HM, Hall MJ, Bienenfeld D. Fall 133-140

Postgraduate psychotherapy training: incorporating findings from the empirical literature into curriculum development. Weerasekera P. Fall 122-132

Psychotherapy supervision: a current method. Winer JA, Klamen DL. Fall 141-147

Teaching and supervising psychotherapy: opening statement. Keith SJ, Mohl PC, Roberts LW. Fall 121

Teaching psychodynamic technique during an observed analytic psychotherapy interview. Blackman JS. Fall 148-154

**R****Recruitment**

Recruitment into psychiatry (letter). Stoudemire A. Summer 116-117

**Residency Education**

Redefining the role of family therapy in psychiatric residency education. Slovick LS, Griffith JL, Forsythe L, Polles A. Spring 35-41

Residency education on the prevention of physician-patient sexual misconduct. Roman B, Kay J. Spring 26-34

**Residency Training**

Residency education: teaching about maintenance and violation of boundaries (letter). Steury S. (Reply by Gorton GE, Samuel SE.) Fall 166-168

Malpractice and the psychiatrist: a primer for residents. Mossman D, Kapp MB. Spring 11-25

**S****Software Reviews**

American Psychiatric Press's "American Psychiatric Electronic Library" and Gold Standard Multimedia's "Clinical Pharmacology." Kramer TAM, Kennedy RS. Fall 172-175

**Stress Management**

The stress management workshop for medical students: realizing psychiatry's potential. Klamen DL. Spring 42-47

**Supervision**

Psychotherapy supervision: a current method. Winer JA, Klamen DL. Fall 141-147

Teaching and supervising psychotherapy: opening statement. Keith SJ, Mohl PC, Roberts LW. Fall 121

---

**T****Teacher-Student Relationship**

The art and angst of the mentoring relationship. Davis LL, Little MS, Thornton WL. Summer 61-71; *See* Correction Fall iv

**Teaching**

Incentives for teaching psychiatry. Bienenfeld D, Markert R, Rudisill J, Gillig P,

Bourgeois JA, Klyklo W, Roman B, Warner B, Kay J. Summer 91-97

---

**W****World Wide Web**

The World Wide Web: new horizons (educational computing column). Kramer T, Kennedy RS. Spring 57-59
